TRIPMATE — MEETING MINUTES

Week 8 | Draft for team verification

Project	TripMate — Travel Planning Web Application
Meeting date	Tuesday, 15 September 2026
Meeting focus	Requirements review and progress check
Attendees	Susmita Sharma, Bibek KC, Simran Chauhan, Nikesh Shrestha
Chair / minute taker	Team meeting / to be confirmed

1. Agenda

• Review progress against the TripMate project plan and confirm outstanding requirements.

• Check that the user roles and core travel-planning workflow are represented consistently.

• Identify open questions and agree on priorities for the next development and testing cycle.

2. Discussion summary

• The team reviewed the expected functions for Admin, Registered User and Guest User.

• The Business Analyst checked that requirements and user stories clearly described destination browsing, preference-based destination selection and hotel booking rules.

• The team discussed coordination between frontend screens, backend endpoints and the database, and noted any items requiring follow-up.

3. Decisions

• Keep the three user roles and their permissions consistent across requirements and implementation.

• Track unresolved requirements and development issues in the team's project task board.

4. Action items

Owner	Action	Due
Susmita Sharma	Review requirements/user stories and record gaps or acceptance criteria.	Before next meeting
Bibek KC	Check backend endpoints against agreed user-role permissions.	Before next meeting
Simran Chauhan	Review frontend flow and flag screens needing clarification.	Before next meeting
Nikesh Shrestha	Check destination data and identify data-quality issues.	Before next meeting

Next meeting / follow-up: Review outstanding actions and update the project task board as needed.

Note: These minutes are prepared as a project-document draft based on the TripMate workflow and the dates provided. Please amend any discussion, decisions, attendees or actions that do not match what actually occurred.
